Odds are that if your phone isn't an iPhone, it's probably an Android device — brands include Samsung, Huawei, LG, Motorola, ZTE and many more. Account will be charged for renewal within 24-hours prior to the end of the current period, and identify the cost of the renewal. After successful deduction, Camera360 will be automatically extended for one subscription period. If you choose a paid app, you'll be prompted to enter your credit card information or a gift card to complete your order. Using the Apple App Store The Apple App Store hosts apps designed for iPhones, iPads and other Apple devices. Click on the app result to learn more about it. In many cases, however, downloading an app is as simple as clicking a button on an app's page. Read on to learn about how and where to download apps. How Downloading Apps Works When you download a file on the net, whether from a store or elsewhere, a file hosted on an online server is copied onto your computer. You can protect the parts you don't want to edit. - Beautify: One tap and instantly beautify your photo. Sometimes (especially when it's meant for computers), an app is compressed into a ZIP file (.zip or .zipx) to save space. To download apps for an Android device, you can either visit the Android website or use the Google Play app. If the app is free, it should begin to download; if not, you'll be prompted to pay for it. With so many apps to choose from, however, it can be a bit daunting if you don't know how to download them. As with Google Play, it's often pre-installed on phones. To cancel renewal, manually turn off automatic renewals in iTunes/AppleID setup 24 hours before the current subscription period expires. 3. You can suspend or terminate this service by: Automatic renewal for Apple In App Payments (IAP payments, in-app purchases): Goto iPhone "Settings" --> Enter "iTunes Store and App Store" --> tap "Apple ID", select "View Apple ID", enter "Account Settings" page, tap "Subscribe", and select Camera360 VIP to cancel the subscription. 4. VIP Subscription Notice: . You can use Camera360 to edit photo with filters, stickers and make-ups. ORIGINAL FACE RETOUCHING- Smooth Skin: Swipe over wrinkles, blemishes and smooth skin.- Reshape: 21 micro-adjustment, no trace of PS.- Face and Body reshape: Manual and auto adjustment. Android is an operating system used for phones, tablets and more. Camera360 is a professional but easy-to-use App for photo editing and selfie retouching. Subscription automatically renews unless auto-renew is turned off at least 24-hours before the end of the current period. Use "Great Artist" filter. You can use the site to download apps for tablets, computers, phones, Xbox consoles, virtual reality sets and more, so it's important to check the system requirements on each app's page to ensure that the app is compatible with your device. (It's often pre-installed on phones and tablets, so you may already have it.) Be aware that you'll likely be prompted to sign in with your Google account or create one if you haven't already. Photo Courtesy: SOPA Images/Getty Images Open the Google Play store on your device and then search for the specific name of the app or any broader category that might interest you. Photo Courtesy: Scott Barbour/Getty Images Apps are typically set up as executable (.exe) files, although apps meant for Apple devices often come as either APP (.app) or DMG (.dmg) files. Apps are no different — they're just specific kinds of files you download from the internet. Either way, once the file is downloaded, you're good to go. Downloading Windows Apps Microsoft hosts apps on its website, which you can access via any device with a web browser.
